## Offered Daily

Fresh Fruit offered when available. Choice of 1% White or 1% Chocolate Milk offered daily. Yogurt Parfait offered daily.

## School Info

### HARVEST OF THE MONTH

Lettuce is in season in Georgia from around October through May as long as it is protected from extreme heat or cold. Hydroponic Bibb lettuce is one type of lettuce popular in GA schools. It's grown in a nutrient rich water solution instead of soil so it is available from GA year round!

Menu is subject to change without any prior notification.
